ARTICLE 6. SUBMISSION OF BIDS

Considering the experience of bidding acts performed in this Argentine Naval Logistics Mission in the United States of America and customary procedures, bids may be submitted in an original format, in a sealed, unmarked envelope, with no signatures, legends or markings of any kind that would allow identification of the bidding company. The file number and the time of the bid opening should be clearly stated in the envelope. Bids must be submitted under one of the following ways:

- a. In person at the Argentine Naval Logistics Mission in the United States, located at 630 Indiana Ave, NW, Washington DC. 20004. USA.
- b. By e-mail at justbidsmnl@yahoo.com

This email address will be used exclusively for bid submission, and not for any other means or concerns. The offer may not be modified after the deadline and no alterations will be allowed.

ARTICLE 7. REQUIREMENTS FOR BID SUBMISSION

Bids shall be in compliance with the following requirements:

- a. Bids must be completed in the **Request for Quotation Form (Annex III)** attached to the List of Terms and Special Conditions.

ARGENTINE NAVY

*NAVAL LOGISTICS MISSION
IN UNITED STATES OF AMERICA
(WASHINGTON DC)*

- b. Regardless of the method of presentation, the bid must be delivered to the office of the contracting entity up to **ONE (1) hour prior to the Opening Act.**
- c. The bid must be submitted in English or Spanish, and in U.S. Dollars. Should the quote be in English, an official Spanish translation shall be submitted with the quote.
- d. In the case of presenting the bid at the Argentine Naval Logistics Mission, the bidder must present a sealed envelope, box or package, indicating the specific bid quoted, and the opening/submittal date.
- e. The specific bid quoted must be clearly stated on the sealed envelope or package. The supplier must present documentary evidence in the original language, with a translation into Spanish if the original language is other than Spanish, proving that the person signing the offer has the legal capacity to bind the company.
- f. Corrections or alterations to the documents must be properly acknowledged and justified at the bottom of the bid then signed by the bidder. Otherwise, the altered and/or corrected sections will be considered invalid.
- g. The submission of the bid implies that the bidder acknowledges the terms and conditions and accepts the rules of the bidding act.

ARTICLE 8. DOCUMENTS TO BE SUBMITTED WITH THE QUOTATION

- a. Complete the attached quotation form (**Annex III**) **all pages signed**, with the corresponding economic offer, as set out in Article 7 of this document.
- b. If requested by the end user, the bidder must provide technical literature and manufacture specifications of the material offered. In the case that this request is made after the opening date of the bid, the supplier must comply within 72 hours from the first business day after the notification, otherwise, the offer will be voided.
- c. All technical documents required in the technical specifications (**Annex II**) included in the List of Terms and Special Conditions.
- d. Bids that are not signed by authorized company personnel must have the corresponding documentation attached stating that the bidder is a legal representative for all the processes of the present bidding act.
- e. The bidder should provide a commercial/business address in order to receive the notifications sent by the buyer. Nevertheless, notifications can be made through other channels of communications, such as e-mail, fax, etc.

ARTICLE 9. BID QUOTATION CONTENT

The bid quotation form should include:

- a. The unit price in numbers, expressed in U.S. dollars, always referring to the unit of measure stated in the bid invitation, and the **total amount of the proposal, in letters and numbers.**
- b. In the event that the total amount quoted for each line does not correspond to the unit price, the latter will be taken exclusively as the quoted price. The quote must include brand, model, manufacturing year, National Stock Number (NSN) Part Number (when applicable), and quality standards that the items comply with.
- c. The quotation bid shall include within each unit price handling and freight charges required for delivery to the shipping office or desired location requested.
- d. Alternative offers will be accepted as an option with its terms and documents, always based on the Terms and Conditions that govern the present contract.
- e. In case a mistake is encountered, either on a line or in the total amount of the quote, the unit price will be considered valid.
- f. The quoted price will be considered unique, fixed and invariable during the selection of the bidding process as well as for the contracted period.

ARTICLE 10. BID SUBMISSION

Regardless of the format of bid submission, all offers received will be securely kept in the Mission's Department of Accounting and Finance until the day and time of the bid opening.

The manufacturer, supplier or contractor must irrevocably guarantee the material and/or services quoted for the stated period in accordance with **Annex II** starting:

For DAP delivery: Once the material arrives to its final destination

ARTICLE 14. EXPLANATIONS PRIOR TO BID OPENING

Prior to the bid opening, all interested parties may request from the contracting entity's office all additional information and explanations deemed necessary up to three (3) business days prior to the bid opening. This exchange of information will be allowed and the requests satisfied as long as the equal bases are not altered.

The Contracting Entity reserves the right to modify the present document by means of an explanatory or modifying notice up to one (1) business day before the bid submission.

ARTICLE 15. BIDS OPENING

Bids opening will start at the place, day and time assigned, Opening minutes will be recorded.

- a. All interested parties may be present at the time of the opening.
- b. Offers will be accepted by the contracting entity up to ONE (1) hour prior to the opening act, hence no late offers will be accepted under any circumstances, even if the opening has not yet started, as stated in Articles 6 & 7 of the terms.
- c. If the scheduled date for the bids opening falls on a non-working day, the opening will take place the following business day at the originally scheduled time.

ARTICLE 16. BID REJECTION

Situations that may cause rejections:

- a. If it is written in pencil or any other mode that allows alteration.
- b. If the bid is offered with conditions, that will deem them invalid.
- c. If it has scratches or corrections in fundamental sections such as "price", "quantity", "maintenance time", "shipping time", or any other section of the contract that has not been properly acknowledged.
- d. If it differs from the Terms and Conditions of the regulations that govern this bid, or if it impedes the exact comparison with all other offers.
- e. If the price quoted is not accurate or unreasonable.

ARTICLE 17. TIE BREAK BIDS

The affected bidders will be invited to submit a price negotiation in writing within a deadline set accordingly. If a tie still persists a public drawing will take place at a date and time fixed.

ARTICLE 18. GUARANTEE

According to the local usage customs and in accordance with Article 31 of the Decree Nr. 1023/2001, the awardee will not be required to submit and/or constitute a warranty unless the selected method is "Advanced Payment", in which case a counter guarantee will be required.

ARTICLE 19. SUBMISSION OF COUNTER GUARANTEES

If the Advance Payment option is chosen, the Counter-Guarantee must be submitted, without exception, within TEN (10) days after payment is received. It may be constituted through a Counter-Guarantee for Advance Payment such as a Bank Guarantee or Stand-by letter of credit.

ARTICLE 20. EVALUATION OF BIDS CRITERIA

Among the offers received and admitted, the award will be issued to the most convenient offer as stipulated by the Contracting Entity, this being the lowest price quoted per line, the quality and/or services complying with the conditions, Commercial history in contracting with the Argentine Naval Logistics Mission and requirements established by the Terms and Conditions Sheet and its Annexes.

ARTICLE 21. CONTRACT CLOSING

According to article 20 of the Decree 1023/2001, the closing of the contract will take place with the notification, and acceptance of the purchase order by the Awardee, which will be issued by the Contracting Entity within TEN (10) business days from the award notification date.

ARTICLE 22. CANCELLATION OF BIDS

Before the closing of the contract, the contracting entity reserves the right to cancel the call for a bid. In this case, the bidders or interested parties will not have the right to demand any compensation or indemnification.

ARTICLE 23. DELIVERY TERMS

Delivery terms must be detailed in the bidder's offer, and will start as follows:

1. When the material and the invoice is received if payment terms are Net 90 Days.
2. When the successful bidder receives the funds if payment terms are Payment in Advance.

In either situation, the material delivery must not exceed ninety (90) calendar days. Should the last day of this 90-day period fall on a non-working day, the period will be extended until the next working day. Should the material delivery be delayed past the 80-day period, a letter detailing the reason for the delay must be submitted.

ARTICLE 24. FREIGHT CHARGES, LICENSES AND OTHERS.

Freight charges, licenses and others must be included in the value of the unit price.

ARTICLE 25. DELIVERY LOCATION

The material must be delivered as follows: INCOTERMS 2020 (DAP) Base Naval Puerto Belgrano, Jefatura de Mantenimiento y Arsenales de la Armada, Provincia de Buenos Aires, Argentina.

ARTICLE 26. CONTRACT COMPLIANCE

The Awardee will comply with his/her obligations according to the procedures, terms, location and specifications established within the contract and/or purchase order. The corresponding terms will be effective from the first business day immediately following the date of acceptance of the purchase order or considering, when applicable, the approval of the export licenses by the U.S. State Department or Department of Commerce or the corresponding authorities of the country of origin.

3. TECHNICAL SPECIFICATIONS

Suppliers may quote the requested spare parts in other available qualities, which will be considered if offers in FN quality are not obtained.

Material Quality: FN - Factory New applies to new materials, unused, manufactured by the original factory or by authorized substitute factories, and that can be purchased from them, from their authorized distributors or from suppliers with recognized commercial reputation.

4. TECHNICAL ACCEPTANCE AND RECEPTION

- 4.1. The Evaluation and Technical Reception will be performed by the Comando de la Infantería de Marina
- 4.2. The Reception Committee of the Comando de la Infantería de Marina will receive and verify the material once is received.
- 4.3. The approval, certification, and payment of certain material do not imply that the ARGENTINE NAVY will accept defective material. If faulty pieces are detected, even after the lot had been approved as received in good condition, it will be returned to the AWARDEE for immediate replacement within a period of no more than NINETY (90) days.
- 4.4. The Awardee will pay for the expenses incurred in the eventual refusal of the material, its replacement and transportation

5. **GUARANTEE:** The material will be guaranteed against material defects for a period no less than twelve (12) months according to article 13 of ANNEX I.

NOTE 1: The technical documentation quoted must include licenses and any other corresponding cost, as well as all coordination costs and/or other tangible or non-tangible elements needed that may be required or arise in order to provide the appropriate material.

NOTE 2: As established in Decree 1030/16 Article 57 - Variant Offers - A variant offer is understood to be one that, by modifying the technical specifications previously provided in the terms and conditions bid package, offers a solution with an improvement that would not be possible to achieve in a case of strict compliance with the original bid package.

The jurisdiction or contracting entity will only evaluate and compare the base offer submitted by different bidders, and will only consider the variant offer from the bidder that submitted the most convenient base offer.

NOTE 3: The materia will be guaranteed against material defects for a period no less than twelve (12) months according to article 13 of ANNEX I.
