- b. Regardless of the method of presentation, the bid must have been delivered to the office of the contracting entity up to **ONE (1) hour prior to the Opening Act**.
- c. The bid must be submitted in English or Spanish, and in U.S. Dollars.
- d. In the case of presenting the bid at the Argentine Naval Logistics Mission, the bidder must present a sealed envelope, box or package, indicating the specific bid quoted, and the opening/submittal date.
- e. The specific bid quoted must be clearly stated on the sealed envelope or package.
- f. The corrections or alterations to the documents must be properly acknowledged and justified at the bottom of the bid then signed by the bidder. Otherwise, the altered and/or corrected sections will be considered invalid.
- g. The submission of the bid implies that the bidder acknowledges the terms and conditions and accepts the rules of the bidding act.

ARTICLE 8. DOCUMENTS TO BE SUBMITTED WITH THE QUOTATION

- a. Complete the attached quotation form (**Annex III**) **all pages signed**, with the corresponding economic offer, as set out in Article 7 of this document.
- b. If requested by the end user, the bidder must provide technical literature and manufacture specifications of the material offered. In the case that this request is made after the opening date of the bid, the supplier must comply within 72 hours from the first business day after the notification, otherwise, the offer will be voided.
- c. All technical documents required in the technical specifications (**Annex II and Annex IV**) included in the List of Terms and Special Conditions.
- d. Bids that are not signed by authorized company personnel must have the corresponding documentation attached stating that the bidder is a legal representative for all the processes of the present bidding act.
- e. The bidder should provide a commercial/business address in order to receive the notifications sent by the buyer. Nevertheless, notifications can be made through other channels of communications, such as e-mail, fax, etc.

ARTICLE 9. BID QUOTATION CONTENT

The bid quotation form should include:

- a. The unit price in numbers, expressed in U.S. dollars, always referring to the unit of measure stated in the bid invitation, and the **total amount of the proposal, in letters and numbers**.
- b. In the event that the total amount quoted for each line does not correspond to the unit price, the latter will be taken exclusively as the quoted price. The quote must include brand, model, manufacturing year, National Stock Number (NSN) Part Number (when applicable), and quality standards that the items comply with.
- c. The quotation bid shall include within each unit price handling and freight charges required for delivery to the shipping office or desired location requested.
- d. A discount on the price will be accepted, for the total of lines, or for a group of lines, based on the bidding quote.
- e. Alternative offers will be accepted as an option with its terms and documents, always based on the Terms and Conditions that govern the present contract.
- f. In case a mistake is encountered, either on a line or in the total amount of the quote, the unit price will be considered valid.
- g. The quoted price will be considered unique, fixed and invariable during the selection of the bidding process as well as for the contracted period.

ARTICLE 10. BID SUBMISSION

Regardless of the format of bid submission, all offers received will be securely kept in the Mission's Department of Accounting and Finance until the day and time of the bid opening.

(WASHINGTON DC)

ARTICLE 19. SUBMISSION OF COUNTER WARRANTY

Not applicable.

ARTICLE 20. EVALUATION OF BIDS CRITERIA

Among the offers received and admitted, the award will be issued to the most convenient offer as stipulated by the Contracting Entity, this being the lowest price quoted per line, the quality and/or services complying with the conditions, Commercial history in contracting with the Argentine Naval Logistics Mission and requirements established by the Terms and Conditions Sheet and its Annexes.

ARTICLE 21. CONTRACT CLOSING

According to article 20 of the Decree 1023/2001, the closing of the contract will take place with the notification, and acceptance of the purchase order by the Awardee, which will be issued by the Contracting Entity within TEN (10) business days from the award notification date.

ARTICLE 22. CANCELLATION OF BIDS

Before the closing of the contract, the contracting entity reserves the right to cancel the call for a bid. In this case, the bidders or interested parties will not have the right to demand any compensation or indemnification.

ARTICLE 23. DELIVERY TERMS

The Marine Gas Oil supply will be performed during the Destroyer A.R.A. "La Argentina" as specified in Annex II and Annex III.

ARTICLE 24. FREIGHT CHARGES, LICENSES AND OTHERS.

The marine gas oil quoted must include shipping charges to the vessel's berth area or designated pier, as well as required permits or licenses, customs, couriers, and port charges, taxes and any other cost necessary to supply the fuel. Additionally, all safety measures needed to prevent oil spills such as oil booms shall be supplied and will be the financial and logistical responsibility of the winning bidder. All these additional costs must be included in the value of the unit price quoted. All quotes stating freight, or any other, cost separately from the unit value of the item will not be considered valid by this Naval Logistics Mission.

ARTICLE 25. DELIVERY LOCATION

Delivery of the marine gas oil for the Destroyer A.R.A. "La Argentina" must be made at the port of **FORTALEZA (BRASIL)** as indicated in Annex II.

ARTICLE 26. CONTRACT COMPLIANCE

The Awardee will comply with his/her obligations according to the procedures, terms, location and specifications established within the contract and/or purchase order. The corresponding terms will be effective from the first business day immediately following the date of acceptance of the purchase order or considering, when applicable, the approval of the export licenses by the U.S. State Department or Department of Commerce or the corresponding authorities of the country of origin.

ARTICLE 27. REQUEST FOR EXTENSION OF DELIVERY TIME

The request for an extension of delivery other than the stipulated in the purchase order must be submitted before the deadline explaining the reasons for the delay. The contracting entity will accept the approval of new delivery dates only when justified causes exist, although applicable penalties will still apply.
